LIBERTY LOAN
PASSES QUOTA
UNCLE SAM SET

Five-Billion Mark Had Been Reached in National Campaign Late Saturday Night

NORTH DAKOTA BEATS LIMIT 74 PER CENT
Canvass in this State Results in Success Far Surpassing all Expectations

COMPLETE FIGURES NOV. 1.
Washington, Oct. 29.—Returns from the second Liberty Loan campaign reaching the treasury department today gave no definite information as to amount subscribed. Treasury department officials on the basis of returns at hand, were unable to say whether subscriptions to the loan had passed the \$5,000,000,000 mark, although they were agreed the chances are that the figures approximate this amount. Reserve bank officials and local committees have until Thursday to make final reports. No further figures will be announced until Nov. 1, the treasury department announced today.

Washington, Oct. 29.—The Liberty loan apparently has passed the \$5,000,000,000 mark.

A last-day drive of titanic proportions throughout the nation rounded up more than \$1,000,000,000 and was believed to have carried the total several hundred million dollars beyond the maximum sum treasury officials had hoped for.

Federal reserve banks were struggling under an avalanche of last moment reports trying to form an estimate. Indications are that they will not complete their tabulation for several days.

At least 5,000,000 people throughout the country wrote their names on application blanks. The number may go as high as 10,000,000.

Each of the 12 districts appeared to have passed its minimum and indications were that most of them had exceeded the maximum as well.

The treasury's compilation by districts follows:
Boston, \$1,000,000; New York, \$1,500,000,000; Philadelphia, \$425,000,000; Cleveland, \$450,000,000; Richmond, \$180,000,000; Atlanta, \$100,000,000; Chicago, \$550,000,000; St. Louis, \$110,000,000; Minneapolis, \$130,000,000; Kansas City, \$160,000,000; Dallas, \$87,000,000; San Francisco, \$275,000,000.

NINTH DISTRICT GOES FIFTEEN MILLION ABOVE QUOTA, IS ESTIMATED.

Minneapolis, Oct. 29.—The Ninth federal district exceeded its \$105,000,000 minimum quota of the second Liberty loan, according to figures available at the close of the campaign Saturday night. Although official returns will not be available for some time, reports so far received indicated that the total will pass the minimum allotment by a substantial amount.

The following paragraph is taken from the statement issued by officers of the federal reserve bank of the Ninth district at Minneapolis Saturday night.

"In an almost exclusive Norwegian township of North Dakota, practically every farmer was a bond buyer in an adjoining township where the population was almost exclusively German, the same result was obtained and the totals for the two townships reaches almost exactly the same figures."

"The people of this district are to be congratulated upon the achievement," said a statement issued by the federal reserve bank. "The result was accomplished by loyal, united and unstinted support of the people of every city, community, county and township and reflects splendidly upon their patriotism."

NORTH DAKOTA GOES OVER TEN MILLION; 74 PCT. OVER QUOTA

North Dakota oversubscribed its allotment to the second Liberty loan by 74 per cent, piling up a total of \$10,450,000. The state quota was \$6,000,000.

"It's a smashing big thing," said State Chairman L. B. Hanna. "It has gone clear beyond our most optimistic expectations and is an answer from the people of North Dakota to the charge that they, the people, are not patriotic when it rings throughout the nation."

Mr. Hanna paid a glowing tribute to all classes of citizens, farmers, bankers, business men and to the women and the boy scouts not only for the cooperation in selling bonds, but in purchasing so liberally.

In the first Liberty bond campaign North Dakota subscribed \$3,700,000. Mr. Hanna received complete reports from every district and every county in the state Saturday evening by telephone, and wired the total to Minneapolis.

Where Did You Get It?
The following telegram from Mr. Hanna was sent in the afternoon but before the final tabulation:
"Fargo, N. D., Oct. 27.—Hon. A. B.

Quota Of Burleigh Is Passed

Apportionment of Liberty Bonds Practically Doubled by Subscriptions

\$283,500 WORTH SOLD IN COUNTY

Burleigh county nearly doubled its Liberty bond apportionment. The quota assigned was \$146,000. When Mr. Goddard closed the list today the grand total had reached \$283,500. Of this amount \$236,300 was subscribed in Bismarck. Members of the U. C. T. took \$12,100 worth and the state capital force subscribed for \$10,050. The Boy Scouts assisted in selling \$1,100.

Following are apportionments and subscriptions for the county. Still being the only place which did not buy any bonds through the county committee:

District	Quota	Sale
Bismarck	\$100,000	\$236,300
Menoken	3,000	3,500
McKenzie	5,000	7,000
Sterling	3,500	3,600
Driscoll	3,500	3,200
Baldwin	5,000	6,050
Willoughby	5,500	3,150
Still	1,500	None
Fegan	3,500	3,650
Wing	5,000	5,900
Arena	2,500	2,900
Moffitt	3,000	3,150
Britton	2,500	3,000
Stewartdale	1,500	250

Total, \$146,000 \$283,500
H. P. Goddard, chairman of the Burleigh county committee, desires through The Tribune to thank all members of the committee and the press for their loyal support of the loan and the time devoted so freely to making it a success.

"The city and county boys did a fine job," he said today. "In the county many obstacles were encountered because of the inclement weather. Burleigh county's sterling patriotism is reflected in the returns. The farmers of the county responded loyally and assisted the committee greatly in making this loan a great success."

News from the entire Slope district shows that the response has been excellent. Many firms allowed their salesmen time to assist the local committees. R. Dahmen did good work for the district committee in charge of La Moure, Sargent, Dickey and McIntosh counties.

Related reports from throughout the state today indicate that North Dakota will add approximately \$250,000 more to her total subscription of \$10,450,000 of last week, according to State Chairman L. B. Hanna today.

"When the figures are finally tabulated," Mr. Hanna said, "I am sure the state will have raised more than ten and three-quarter million dollars to the second issue bonds. The state's minimum quota was \$7,000,000."

NATIONAL UNION MUST SETTLE ALL ITS JUST CLAIMS

Insurance Commissioner Olness Warns Farmers not be Misled by Adjusters

Insurance Commissioner S. A. Olness again warns North Dakota farmers who have drouth insurance policies that they should not be misled by adjusters who, it is alleged, are representing that the National Union Fire Insurance Co. of Pittsburgh, Pa., is financially unable to pay its losses, or that the only chance of settlement is the return of premium without the payment of loss, and that this proposition is approved by the insurance department, or that the company is denying liability for all losses through-out the western part of the state, or that criminal prosecution will be instituted by the company if settlement is not made by the insured on the terms it offers.

The company, Commissioner Olness states, must settle each claim according to its merits. The National Union, he assures the holders of drouth policies, is a strong company, well able to meet all claims, and is in no danger of going bankrupt. He asks that farmers who have been misled in an effort to adjust their policies on a wrongful basis advise him of the fact, giving the names of adjusters and place and date where such misrepresentation was made.

There is, states Mr. Olness, some question about the standing of the Bankers' Insurance Co. of Helena, Mont., which wrote a large amount of drouth business in this state, but none at all about the National Union. The two companies wrote about \$5,000,000 worth of policies, insuring the farmer against loss of crop up to \$7 per acre. The result has been disastrous to both companies, and it is claimed that various subterfuges have been resorted to to avoid payment. Nathan H. Chase of Minneapolis, western attorney for the National Union, was here in conference with Insurance Commissioner Olness last week, and following the conference Mr. Olness issued another letter to the farmers urging them to stand pat when they know their claims are just, and to ac-

PACIFIST IS STRIPPED AND HORSEWHIPPED

H. S. Bifelow, head of Cincinnati Peoples Church Arouses Mob Fury

IS TAKEN TO KENTUCKY WOODS BY MASKED POSSE
Naked, he Staggered to a Nearby Church and Secures Medical Attention

Cincinnati, Ohio, Oct. 29.—Herbert S. Bifelow, head of the Peoples Church here, one of the leaders of the Peoples Council for Democracy and Forum of Peace, socialist and pacifist, was taken into a dense wood near Florence, Ky., shortly before midnight last night, tied to a tree, and horse-whipped by men "who wore long robes and hoods similar to those described as worn by the widely known Ku Klux Klan," according to a report received today from Florence.

The report stated the posse, with Bifelow as prisoner, gagged and handcuffed, worked its way to the center of the woods. There they removed the handcuffs long enough to disrobe him and tie him to a tree. One of the leaders of the party then read from a piece of paper by the light of a lantern held by an associate. The reader said:

"Give Him 12 Lashes.
"In the name of the poor men and children of Belgium, this man should be whipped."

At a given signal another man, clad from head to foot in white, stepped out of a circle that had been formed, and with a "blacksnake" whip delivered 12 lashes upon the back of Bifelow. The ropes were then cut. Bifelow was warned to stay away from Cincinnati and he was released, while the party made their way back to waiting automobiles and disappeared.

Finds Church.
Bifelow wandered an hour in the woods and seeing a church spire in the distance, he made his way toward it and found himself in Florence, Ky., about 20 miles from this city. He was taken to the home of Dr. H. K. Grant, where he received medical attention, and then, according to his own statement, he stayed up the remainder of the night writing in detail his experience of the evening. He notified his friends in this city where he was. Bifelow was taken into custody by five men as he was entering a hall in Newport, Ky., shortly before 8 o'clock last night. He was scheduled to address a meeting of socialists. At the time of his apprehension handcuffs were put on him and he was hurriedly thrust into an automobile and spirited away.

Recently federal authorities conducted a raid on Bifelow's office in Cincinnati, where documents concerning the local Peoples Council of America were seized. Sunday afternoon at his Peoples church services Bifelow prayed for "the repose of the soul of Emperor Wilhelm and proud men surrounding him."

Poured Oil on Head.
Bifelow's own statement, written last night in Florence, Ky., bears out the early story of abduction and whipping. He added, however, that oil was poured over his head after the lashes were administered.

In a statement this morning, Bifelow stated that owing to the men wearing "long white robes" he was unable to recognize any of his abductors and that because of the darkness he could not give an accurate guess as to how many were in the party. Residents along the Lexington pike state that they noticed a line of 22 automobiles pass on the way to Florence, Ky., last night, some of which were carrying men upon the running boards.

Bifelow was democratic candidate for secretary of state in 1902, and was a delegate from Hamilton county to the constitutional convention in 1912. He was elected by this convention as its president. For the last several years, however, he has been actively associated with the socialist party. Bifelow was removed to a hospital in this city shortly after his arrival. His friends said they did not believe he was in a serious condition.

CUSTER SURVIVOR DIES AT FARGO

Fargo, Oct. 29.—Phillip Hill, 68 years old, a supply train driver, for the American troops which met disaster on the prairie battlefield when Indians slew Custer's command, and claimed to be the last living survivor of the Custer massacre, died here this morning of heart failure. He is survived by a daughter, Miss Anna Hill, a teacher in Superior, Wis.
Hill, who has lived here for the last quarter century, was wounded in the battle with the Indians and carried a long knife wound in his right side, caused by an Indian, who stripped his body of clothing. Hill is said to have fallen only a few feet from General Custer and saw the Indians rip the clothes from the general's body as

FRAZIER BOARD MEETS TUESDAY; FIXING SLATE

Question of Selecting Successor to Colonel Brewer May Come up Tomorrow

JOB SAID TO HAVE BEEN OFFERED TO TWO PARTIES
Nonpartisans Now Have Complete Control of Educational System

When the state board of regents meets here at 2 o'clock Tuesday afternoon in the first session of that body to be held since a recent supreme court decision gave Governor Frazier already has selected two men for the secretaryship of the board.

Some time ago, Frank Wilder, deputy secretary of state was called into the office of the chief executive and advised that he might be secretary of the board of regents, if he chose. Within the last two weeks, Win S. Mitchell, office deputy in the state examiner's department, was summoned into the presence and given the same "dope." Later, each found the other had been presented with the job, and now each is anxiously awaiting tomorrow's developments, it being barely possible that the board of regents may have picked still a third candidate for the favor, or that it may decide to let matters drift along as they are for awhile.

There have been two secretaries of the state board of regents since early in Frazier's administration, when he organized his own board in an effort to oust all the Hanna appointees. That board duly elected its chairman and secretary, Herbert A. Hard, formerly professor of geology at the North Dakota agricultural college, being selected for the latter berth. He acted as secretary at the first and only meeting of the original Frazier board, and opened up a new set of books, inasmuch as the Hanna board retained the official records of the regents. Hard has since been taken care of by being made secretary of the state reclamation commission, a berth for which he seems particularly well fitted, and there has been considerable conjecture as to who the new secretary would be, it being taken more or less for granted that the victors would claim the spoils.

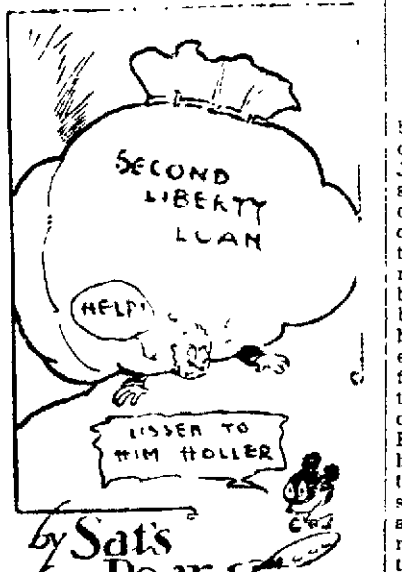

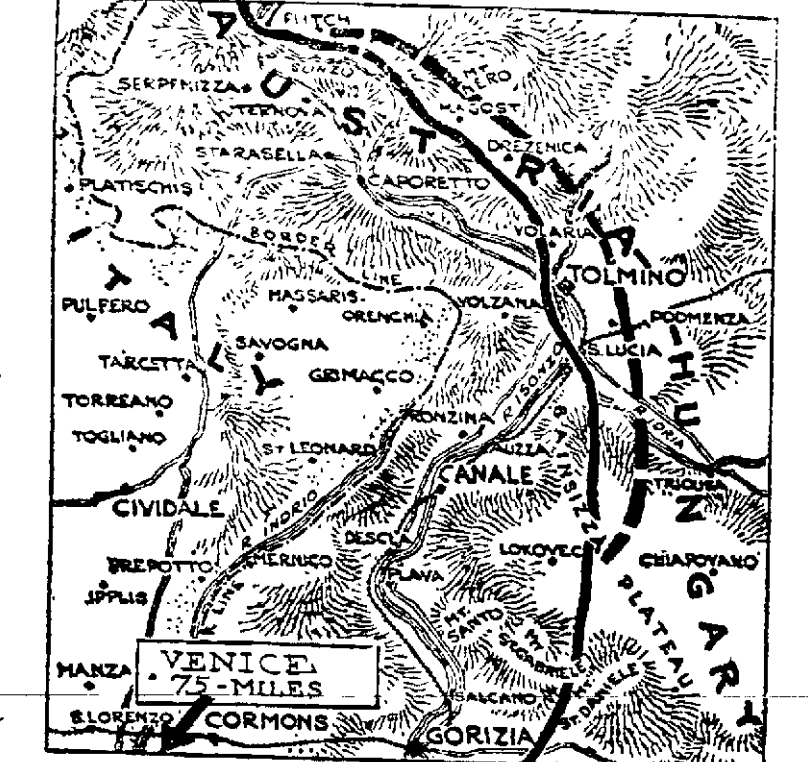

Col. Charles Brewer, who has been secretary of the board of regents since its organization, formerly was editor of the Fargo Forum, in which capacity he appeared as one of the state's first champions of consolidated schools. He was recently re-elected for two years by a unanimous vote of the board. Frank Wilder, advanced to the office of deputy secretary of state when John Andrews resigned, has been on Secretary of State Hall's staff for a number of years. Win Mitchell for some time has been in the state examiner's office. Both are former newspaper men with a wide acquaintance.

MANDAN PAROCHIAL SCHOOL DAMAGED IN EARLY MORNING FIRE

St. Joseph's parochial school of Mandan was badly damaged by fire which broke out at 8:20 this morning while the children and sisters were attending mass. The fire was started by an over-heated stove, and the building was all in flames when discovered. The building, which was originally the Catholic church, is damaged beyond repair. The loss is estimated at over \$3,000, and is well covered by insurance.

WORK IS DELAYED

Dickinson, N. D., Oct. 29.—E. R. Seibert, the contractor, predicts that Dickinson's new postoffice, the finest federal building on the Slope, will not be ready to turn over to the government until Feb. 15. Dickinson had hoped to dedicate the new building the first of the year.

**Italy Must Have Fuel to Continue Gains Against Austria and Help Win War**

From Elitch on the north to the Bainsizza plateau on the south the Austro-Hungarian-German forces have been hurled at the Italians under General Cadorna in attempts to turn back the Italian troops in their steady progress toward Vienna and Trieste.

DEVELOPMENTS IMPENDING ON FRENCH FRONT

Secretary Baker Says Significant Operations in Progress East and West

ADMITS ITALY PASSING A DIFFICULT MOMENT

Washington, Oct. 29.—Important developments are impending in the great war, Secretary Baker indicates in his official review of last week's operations on all fronts, which concludes with the brief statement that certain units of the American forces in France have taken their places on the battle front to complete their training. This is the war department's first mention of the fact that General Pershing's men are on the firing line.

It is the wave of activity during the week on nearly every front, however, that caught the secretary's attention. Significant operations are in progress, he says, both east and west, on the Italian front, in Macedonia, Roumania, Mesopotamia and even in East Africa. On the western front, he says, a new strategic retreat of the German forces appears to be the next move expected and they must move back under critical circumstances from between the two wedges, those of Flanders and the Aisne, which have been driven down relentlessly into their lines by the British and the French.

Italy is passing through a difficult moment, Mr. Baker says. The Austro-German drive is being pressed forward by imposing forces. But once before, Italy stemmed the tide of an Austrian rush, under less favorable conditions for the defenders, he points out, and hurled the enemy back with only a taste of victory during the first days of his terrific onslaught. Winter is coming to the aid of the Italians.

OLD-TIME TRAPPER LOADS FOR BEAVER

Open Season on Destructive Animal will Bring Thousand of Dollars for Pelts

The fact that beaver, which have been protected by a several years' closed season, may be trapped from Jan. 1 to March 10, already is resulting in a renewal of activity among old time trappers and an increased demand for steel traps. Beaver, in the Missouri valley and west of the river, have become so plentiful as to become a pest. Young forests planted by thrifty homesteaders have been hewn down, almost over night, beaver dams have obstructed and flowed creeks and rivers, and the treacherous barriers have proven a dangerous trap for unwary cattle. Beaver pelts have never possessed a higher market value; the skins, with the cold weather preceding the open season should be in prime condition, and it is anticipated that trappers will make thousands of dollars during the two months when beaver will be leg-

100,000 MEN CAPTURED BY GERMAN ARMY

German-Austro Forces Sweeping Down the Mountains to Plains of Italy

GREAT BRITAIN AND FRANCE TO RESCUE
Entente Plan Some Kind of a Counter Movement to Stop Invasion

OFFERED TO SAVARIAN.
Amsterdam, Oct. 29.—The Zeitung am Mittag of Berlin says the German chancellorship has been offered to the Bavarian premier, Count von Hertling, who has asked for time to consider the matter.

(By Associated Press.)
Italy's soldiers have failed to check the onrush of the Austro-Germans, and the entire line of the Isonzo is threatened with annihilation. Sweeping down from the mountains into the plains of Friuli, the invaders have captured Cividale, and Gorizia, 100,000 prisoners and 700 guns.

Great Britain, and France, are reported to be taking steps to give the shattered Italian army prompt and full support. What form this aid will take has not been disclosed. The French cabinet met last night to decide upon the manner of cooperation on the Italian front.

Germans Reach Lowlands.
Where General Cadorna will make a stand is not yet clear, but two positions, capable of defense, are available. The Germans have reached the lowlands, and are but nine miles from Udine. Cadorna's general headquarters, the railroad running north and south through Udine might make a defensive line, but the Tagliamento river, eighteen miles west of Udine, probably would offer a stronger obstacle.

Serious Menace.
The fall of Gorizia is a serious menace to the Italian troops holding the Carso line southward to the head of the Adriatic, but General Cadorna still would be able to offer stout resistance on a line running through Tolmezzo, Gemona, Udine, Buttrio, and Gradisca. The capture of Gradisca by the Teutons, however, would make a retreat from the Carso inevitable, and also somewhat of a difficulty.

While the Whole Isonzo Line is in Grave Danger, there is also a serious threat in the Teutonic drive to the Italian line in the Carnic Alps, and even in the Dolomites, north of Belluno. Apparently Field Marshal von Mackensen is endeavoring to drive a wedge between the armies on the Carso front and those in the mountains northwest of Udine. Some of the advance Italian positions in the Carnic Alps, probably, have been abandoned already. If this should prove true, the Tagliamento river seems to offer General Cadorna his first defensive line, unless his armies stiffen greatly and hold the invaders within a few miles of their present position.

Progressing Favorably.
Operations carried out by the Belgians and French looking toward the elimination of Houthout forest, north of Ypres, are progressing favorably.

A German retirement between Warrington and Dixmude to straighten out the lines and eliminate the Ypres salient is not looked for in German military circles. One leading German critic, Major Morant, says the front is untenable, and that the Germans will have to retire to a new line. Such a line probably would run through Menin to Roulers, to Thourout and thence to the sea.

TO GIVE ASSISTANCE.
Rome, Oct. 29.—The Italians are checking the advance of the Austro-German troops into the plains of northern Italy, the war office announces.

The Italian troops are fulfilling their duty and all movements ordered by the general staff are being carried out.

Steps already have been taken for rendering the fullest possible assistance to the Italians, London states.

CAPTURED BY SUBMARINE.
London, Oct. 29.—The American sailing ship Fannie Prescott, 404 tons gross, has been attacked by a submarine. She was taken in tow by the submarine after being abandoned by the crew.

WOULD SEPARATE ALLIES.
London, Oct. 29.—La Metropole, a Belgian newspaper published here, says a German attempt to separate the allies has been defeated by Baron de Broqueville, Belgian foreign minister.

According to the newspaper, Germany recently made a peace offer to Belgium.
The paper says the bearer of the peace proposal was a Belgian industrial and financial magnate, who knew Foreign Minister D. E. Broqueville personally. He went to Paris through Switzerland, and asked for a meeting with the minister, who met him in a Paris hotel. The emissary there said he was commanded by Baron von der Lancken, legal adviser, of the German government in Belgium, to propose that semi-official Belgium and French delegates should meet German delegates in Berne to lay down a basis for

CHURCH CANNOT HOLD ITSELF ALOFT FROM AFFAIRS OF STATE

Must Stand Behind Government at
All Times and Especially in
This Crisis

The relation of church and state in the present world crisis was fully discussed by Rev. George Buzzelle, pastor of St. George's yesterday, using as his text:

"He maketh wars to cease in all the world; he breaketh the bow, and shattereth the spear in sunder, and burneth the chariots in the fire."

"Be still then and know that I am God; I will be exalted among the heathen, and I will be exalted in the earth."

"The Lord of hosts is with us; the God of Jacob is our refuge." Psalm 46, 1-11.

"The president of these United States of America has called upon us to observe this day as a day of special prayer for the nation, and in compliance with that request I ask you all to join with me before the altar throne of God, and there supplicate Him, the Supreme Governor of all things, whose power no creature is able to resist, that he will direct and guide the civil and military authorities of our land, will judge between us and our enemies, will use us as a nation to perform his will, will protect and support our soldiers and sailors, even where it must be, through death, will bless the work of relief that is undertaken by the Red Cross and other agencies, will support the sick and wounded, give comfort to the dying, and rest and refreshment to the dead, and finally victory to our arms and peace to all the nations."

"I make no apology for complying with the request of the great head of our nation. I gladly avail myself of the opportunity. The church needs to be impressed with the duty of entering most heartily into the work of the great war. If there be any who feel that the church has no business sanctioning war, let me suggest a careful survey of the history of the past three years. Before we pray for, and with all the ardor of the soul. But before peace, we plead for righteousness and justice. One who stands now for peace first does so with the full knowledge of the horrible offenses against the Armenians, the Poles, Serbians, Belgians, and many others, to say nothing of offenses against our own freedom and peace. The dumb voices of a hundred dead mothers, with their dead babes clasped to their cold breasts, cry to heaven for justice, and until that cry and countless others have been hushed, the cry for peace cannot be heard. So we gather today, from east and west, from north and south, at the altars of the Prince of Peace, and make supplication for victory for our arms, that peace, truth and lasting may come to the nations of the earth."

And more. This appeal of the president brings us to a realizing sense of our duty to the government almost obscured by the false and foolish cry of the separation of church and state. The state may try to separate itself from the church, but at its peril. The church, if she is alive to her heritage, her duty and her destiny, may never separate herself from the affairs of state. For, wherever human life functions, the church must be vitally interested, and especially now, when government is becoming so highly developed and specialized that it enters most intimately into the concerns of all the people, the church must be on the alert to use all of her precious gifts for the purifying and sanctifying of the forces of life."

GREATEST DEMAND OF AGE IS MESSAGE OF CHRIST, SAYS CALL

Christian Men and Women Must
Take Large View of Things,
Says Pastor

"The greatest demand of the age is for the message of Jesus Christ," declared Rev. L. R. Call of the Baptist church in his sermon Sunday morning on the text, "The Church and the World Outlook." "In the time of war and suffering the light comes nearest the hearts of his people. When life goes by like a song the world forgets God; when war clutches a nation by the throat it calls to God for help. It is in the time of war that men are most serious. It is then that they can best understand what Jesus meant when He declared that men should love their enemies. The peace that is represented in the Word of God, also comes with renewed force. The claim of sacrifice is now understood as never before. In all these ways the gospel of Christ is working into the people of our land."

"The call just now is for Christian men and women to take a large view of things. Our world is changing in nearly every respect and the future will be far different from the past. We live on the threshold of a new age. The age in which we have been living has been characteristic in its good badness and its bad goodness. The age that is to come will be either wholly good or wholly bad. Just what it is to be depends upon the reach of God in its adjustment to the world situation."

With all the sacrifices that we are making, with all the emphasis upon the obligation of men, money, time and soul, let us not forget that we also have a religious duty. Let us not make religion less sacrificial than patriotism. We should be very patriotic, but we should also be very religious. Let us mobilize the church as we mobilize the state, and let us go forward with a world outlook and never a wavering faith. God is in this war and He is going to see it through right. It is the greatest opportunity of the church that has ever come. The future of the world is largely dependent upon the attitude of the Christian church toward a world conflict."

EXECUTION.

By virtue of an execution issued out of and under the seal of the District court of Burleigh county, North Dakota, Sixth Judicial District upon a judgment rendered and docketed on the 10th day of July, A. D. 1917, in an action wherein Mary Johnson was plaintiff and J. S. Dickson, defendant in favor of the plaintiff and against the defendant, for the sum of \$357.54, which execution was directed and delivered to me as sheriff in and for the said county of Burleigh, state of North Dakota, I have levied upon all the right, title and interest of the said defendant J. S. Dickson in and to the following described personal property to-wit:

One Studebaker five passenger, 4 cylinder automobile purchased from the Bismarck Motor Company. Notice is hereby given that I, the undersigned, as sheriff in and for the said county of Burleigh and state of North Dakota will sell the above described personal property to the highest bidder for cash at public auction at the front door of the Court House in the city of Bismarck, Burleigh County, North Dakota on the 29th day of October, A. D. 1917, at the hour of ten o'clock in the forenoon, to satify the said execution together with interest and costs thereon. Dated this 17th day of October, A. D. 1917.

J. P. FRENCH, Sheriff of Burleigh County, North Dakota.

NOTICE TO PROPERTY OWNERS. This world's no blot for us,
Nor blank; it means intensely and it means good.
To find its meaning is my meat and drink.
—Browning.

OUT OF DOORS DISHES.

For the nature lover there is no pleasure equal to a meal prepared and eaten out of doors. If one has the habit, an equipment is a great convenience, getting just the lightest, most essential and most compactly packed. Potatoes and corn may be roasted in the woods and they never taste better. If one can wait until they are cooked. The potatoes should be buried in hot ashes fully half an hour before anything else is started. If one does not care to bother to cook, or will forgo that pleasure almost everything from hot coffee to ice cream may be carried now in the bottles and receptacles made to conserve the temperature.

Paper plates and cups will do away with weight in carriage, and work in caring for them, as they may be burned before camp is broken, and much time is saved for more profitable amusement.

A heavy square of sheet iron is a most useful camp utensil, it may be used on which to set the various dishes while cooking over the coals or may be used as a toaster, broiler of steaks or as a griddle for cakes, in fact, its repertoire has not yet been exhausted.

Long sharp sticks will be needed to roast frankfurters, or for boiling bacon, as every member of the camp has some especial duty to perform the preparation for the meal is shared. To be a good camper, one must not be afraid of work and the normal person finds something of the primitive man in himself when he gets into the woods, conventionality is forgotten, and the picnicker has the excitement and fun of making fire and preparing a meal like a true savage.

Bismarck Goal has not been Crossed This Season Training School Defeated

ALL ENERGY NOW BEING RESERVED FOR THURSDAY

For the third time this season the Bismarck high held its opponents to a scoreless goal when it defeated the state training school team of Mandan on the local field 1, to 0. The Mandan team showed the result of much practice and some good coaching, and the training school boys played a much better game than they did in the first contest of the season, when the Bismarckers showed them all over the field. The visitors distinguished themselves by threatening the Bismarck goal on the 13 yard line, which is the farthest any opposing team has penetrated the Capital City's defense this season.

The Bismarck boys were handicapped somewhat by the fact that Captain Lloyd Couch was out of the game, and the weather was too cold for really good football, but a fair sized crowd witnessed the match, and it was a good exhibition of football.

Following the game, the visitors were escorted to the high school, where a fine feed was staged in their honor, under the direction of Mesdames E. J. Taylor and G. B. Allen.

Begin Practicing

Today the Bismarckers began practicing for the big game of the season, the second match with Mandan, whom the local boys defeated on the former's home gridiron last week. Mandan

CHURCH CHEERS! CERTAINLY, SAY CITY CLERGYMEN

Applause with the Hands as Expression of Sentiments of the Soul Welcome

MINISTERS CONFIDENT DIGNITY WOULD BE SAFE

Choir in church

Certainly, say Capital City clergymen.

The question was brought up when a First Presbyterian church congregation applauded points which stood out in a sermon delivered by Dr. J. L. McBrien of the United States bureau of education during a Sunday stay in Bismarck.

Secretary G. N. Kemiston, of the Bismarck Commercial club, himself a clergyman, took a census of capital city ministers to learn what they thought about applauding in church as a general rule. Here is what the English non-ritualist pastors of Bismarck say.

Dr. W. J. Hutcheson, pastor of McCabe M. E.—It really is so unusual that I fear my emotions would overcome my thought if my utterances met with the applause of approval. I certainly see no good reason why people should not feel at liberty to approve public utterances at church services by the use of their hands in applause. I know it is very unusual, but for my part I certainly would not be unwelcome. I say, let the people speak, even with their hands, if they see fit.

Rev. H. C. Postlethwaite, First Presbyterian—“I am quite aware that true emotion seeks expression. Audiences cannot reply to speakers in words of approval and endorsement, and custom has arisen whereby the people express these sentiments with applause by their hands. I realize there is some danger that the dignity and propriety of religious service might be impaired by thoughtless or inopportune applause. However, approval of great truths expressed in the form of applause is an expression such as I would welcome at any of the services of my church.”

Rev. I. R. Call, First Baptist—“I am heartily in favor of applause as long as it comes spontaneously and is not unnecessarily prolonged. Proper applause of the hands is an expression of the feeling of the soul. As long as it is kept so, it is in perfect accordance with the services of the church, whether it be in Sunday school or worship.”

LACK OF MUNITIONS.

Washington, D. C., Oct. 29.—Lack of material, munitions and guns, and unseasoned troops on the right wing in the late of an overwhelming Austro-German force, coming from the Russian border, are the causes assigned by technical experts of the Italian mission for the Italian defeat in the Julian Alps.

There must be a reformation of the fighting lines, they say, and a resumption of the Italian offensive cannot be expected before next spring, the campaign meanwhile being of necessity on defensive lines. Most of the 700 can non lost were taken without having fired a shot, because of lack of ammunition.

GREATEST EXHIBITION OF WESTERN HORSEMEN EVER— GOTTEN TOGETHER FORMING

J. W. Jackson of Williston, a former member of the state board of control, now a captain quartermaster in the United States reserve corps, writes from auxiliary remount depot No. 331, which he commands at American Lake, Wash., that since called into active service he has had commands at Fort Keogh, Mont., and Camp Fremont at Palo Alto, Cal.

Telling of the work at Camp Lewis, American Lake, Captain Jackson says in a letter to Chairman R. S. Lewis of the board of control: "To date we have received some 4,000 horses and mules and will, eventually, supply some fifteen or twenty thousand to the 1st division, consisting of 50,000 men of the national army troops now being received here at Camp Lewis. The depot has been made entirely independent dealing directly with Washington. My office hours have been from 9 a. m. to 11 p. m. Sundays included. In due time there will be from 500 to 1,000 troops assigned to the depot. We are conducting a black smith school for 100 students and also the same number for a school for packers.

"I am today putting a request for assignment here of some 200 men whom I have selected from the various states of the northwest as being the very best horse and mule men in the world, and with them here, I expect to have the greatest exhibition of western horsemen ever gotten together. The bull pens and riding corrals are ready and about 1,500 horses are itching to have the melon on their backs."

INDIANS LOYAL TO EVERYTHING UNCLE SAM STANDS FOR

Fort Yates, N. D., Oct. 29.—Chiyasa, better known as Dr. Charles A. Eastman, Sioux lecturer and author, commencing a tour of the various reservations where the Siouan language is spoken in the interest of the second liberty loan, says: "The Indian tribes

as a class and as a race are absolutely loyal to all that America stands for—liberty, peace, fellowship and brotherhood. Though small in number, they are big in the spirit of patriotism."

SLACKERS DISCHARGED

"YOU SEE, MR. PRESIDENT! IT'S THIS WAY"

Here is President Wilson, learning at first hand what the new heavy duty auto trucks will do in solving the nation's war problems. A member of the Society of Automotive Engineers is explaining to the president and Secretary of War Baker how the trucks were designed in less than a month, and rushed to completion in one-fourth the usual working time.

Dickinson instead of their home precinct in Dunn county, Henry Erbe of Dunn and Morton LeRud, a Wisconsin boy, testified in federal court here that they acted on the advice of Charles Ward, superintendent of schools in Stark county. The latter substantiated the boys' testimony, and they were dismissed and assigned to draft districts.

NORTHERN PACIFIC WATER PURE, HEALTH LAB FINDS

Grand Forks, N. D., Oct. 29.—A sanitary survey of water served on Northern Pacific trains, in which eleven samples of water taken on the interstate boundaries were examined, has given the company's supply a clean bill of health. The examination of water taken from sixteen supply points on the Great Northern and Soo lines now is under way at the state public health laboratories here.

PRIVATE SHOT AT CAMP GREENE A GERMAN SPY?

Camp Greene, Charlotte, N. C., Oct. 29.—Frederick Beethoven, shot in an effort to desert from McCamp Greene, where he was attached to the 116th ammunition train, is suspected of being a German spy, according to well grounded information, and an investigation is said to be under way.

TRACE DISEASE TO CONSTIPATION

One of the points on which different schools of medicine practically agree is, that about 25 per cent of all human disease is directly traceable to intestinal privation. Constipation is a condition that should never be neglected. As soon as the bowels evidence the slightest disposition to slow up, a mild laxative should be taken. The consumption of simple laxative pills with persistency, known as Dr. Caldwell's Syrup Pepsin, and sold in drug stores for fifty cents a bottle, is highly recommended as a corrective, acting gently, in a easy, natural way, without griping or other pain or discomfort. Family remedy can be obtained, free of charge, by writing to Dr. W. R. Caldwell, 435 Washington St., Monticello, Minn.

NORTH DAKOTA TO GIVE \$150,000 TO FINANCE WAR "Y"

Big Drive for Funds to Assist Work for Soldiers Due November 11

Fargo, N. D., Oct. 29.—Plans were completed at a gathering of district and county chairmen here for the Y war fund campaign, which is expected to raise from \$125,000 to \$150,000 of the \$25,000 national fund which is to be used in defraying association work among the soldiers. The drive will be made the week of November 11-18. Each district and county has been assigned a quota, and the campaign chairmen are confident that the maximum amount will be put over.

FELLOW WHO MISSES THIS STRAFFING OVER THERE IS LOSING OUT

Leeds, N. D., Oct. 29.—The fellow who misses this straffing in Europe today is missing the greatest event in the history of the world, and I am truly thankful to be here and very proud of Canada, for she certainly has made a name," writes Dr. J. W. Warren, who gave up his practice here to become captain of a Canadian ambulance motor corps. "It is sacrificing a great deal to be away from my wife and my boy for so long, but no man with red blood in his veins could afford to miss this experience. On the fourth of September I had a beautiful night over Dover, city harbor and channel, passing right over a large cruiser and destroyer going at full speed. We traveled from 60 to 90 miles an hour, and at heights varying from 2,000 to 6,000 feet. Last week and this week it has been moonlight and we are visited nightly by Goths. These raiders usually pass over us here on their way to London or on their return, and then the anti-aircraft guns get busy. I have not taken to cover yet, as I did not wish to miss the excitement. They do not drop many bombs on us here but when our shrapnel begins to drop close it is necessary to get under cover. We have very good command of the situation in the day time, but it is hard to combat at night, and impossible for planes to fight them at night." Captain Warren is stationed at No. 11, Canadian general hospital Shorncliffe.

TANKS CLOSE UP IN BRITISH WAR FILM

You have heard a great deal about the tank, that weird creature of modern warfare. You've doubtless seen many photographs of them. And you've wondered how they looked in action. One of the most exciting moments of the British war pictures, which the Tribune is bringing to Bismarck soon, is when a massive tank loads up with men and crawls out toward the trenches of the boches. It wasn't done merely for the sake of the picture. That is where the excitement comes in. The camera man was on the spot when this particular tank was called into action during the historic battle of the Ancre. Uses Its Own Track. A tank is awe-inspiring just to look at. But when it is seen, rumbling away over barbed wire barriers and ditches using its own track, the feeling is indescribable. Several tanks of various sizes are shown in the film. A peculiar feature of the British tank aside from its odd construction, is the singular colors with which its sides are painted. It is sort of mottled—thus in order to make it hard for the enemy aviator to discern. The British soldiers assigned to the tank go about their duties very calmly and methodically, despite the great noise they run as the pictures show. Cheering the Tank. At one point in the film a tank turns home victorious from a rush with the Germans. The soldiers, wild with joy leap onto its sides and cheer and cheer. In other features the British war pictures stand without an equal. They are absolutely authentic having been taken by the British government. The pictures will be shown at the Auditorium soon.

Red Cross Lanches Campaign for More Workers and More Machines

The local Red Cross chapter has launched an extensive campaign for more workers and more sewing machines to carry on the work here. The chapter now has plenty of money and materials. All that is lacking is more seamstresses and knitters. Organizations and clubs are asked to devote a part of their time to this work. Young people are asked to make Red Cross work one of the diversions at social functions. Mrs. J. L. Whitney, the new chairman of the supply committee, and her able assistants are canvassing for more workers.

Before the young people of the St. George's Episcopal church Sunday afternoon Mrs. P. C. Remington, supervisor of the southwestern division of the state, gave a talk on Red Cross work and presented suggestions for special work suitable for the young people. She advised the making of fracture pillows as a very essential item for the soldiers. The boys were urged to learn to knit.

MANDAN CLUB WOMEN TO OBSERVE MEATLESS DAYS

Mandan club women are planning an extensive food conservation program for this winter. Monthly meetings will be held to study food conservation. The first of the series will be held next Thursday evening, when Miss Julia Newton of the North Dakota agricultural college will speak. Among the observances of the Hoover plan, meatless days will be advocated by the women. Committees have been appointed to make a canvass of the city in the interest of the movement. Those in charge of the districts follow:

First Ave. N. W.—Mrs. A. Doley and Mrs. M. G. Black.

Second Ave. N. W.—Mrs. A. H. Peterson and Mrs. Charles Pierce.

Third Ave. N. W.—Mrs. L. N. Cary and Mrs. S. L. Nuchols.

Fourth Ave. N. W.—Mrs. S. E. Voss and Mrs. L. F. Lyman.

Fifth Ave. N. W.—Mrs. Jos. P. Hess and Mrs. Roy Countryman.

Sixth Ave. N. W.—Mrs. Lucy Parkin and Mrs. Jas. McDonald.

Seventh Ave. N. W.—Mrs. E. K. Ditzing and Mrs. J. K. Porter.

Eighth Ave. N. W. and on to the hospital—Mrs. L. F. Smith and Mrs. G. A. Richardson.

Ninth Ave. N. W.—Mrs. C. P. O'Rourke and Mrs. J. H. Warren.

First Ave. N. E.—Mrs. H. R. Bitzing and Mrs. E. W. Peterson.

Second and Third Ave. N. E.—Mrs. Wm. Simpson and Mrs. R. Nichols.

Fourth Ave. N. E. and on to the city limits and including Girard's addition—Mrs. Charles Wyman.

Happy Hollow District—Mrs. A. J. Sylvester and Mrs. C. R. Robertson.

Experiment Station—Mrs. W. A. Peterson.

State Training School—Mrs. Jos. Devine.

Syndicate—Mrs. L. R. Skpod and Mrs. S. G. Anderson.

The ladies will start this work on Monday.

Arrange Shadow Social.
The Luther League of the Swedish Lutheran church has announced a shadow social for Wednesday evening in the parlors of the church. An enjoyable program of amusements is being arranged.

To Give Annual Supper.
The Ladies Aid society of the First Baptist church has announced the date for its annual supper instead of a social. It was previously stated this annual event will be served in the basement parlors Thursday evening, November 1.

Entertain School Mates.
Miss Dorothy Saevel entertained a party of her school friends Saturday evening at the home of her parents, Mr. and Mrs. R. K. Skeels, 1116 Sixth street. Lancing and the various games furnished the amusements and luncheon was served.

Alumni Reunion.
A reunion of the North Dakota University alumni, former students and teachers has been arranged by university students of this city for Thursday evening at 7:30 in the McCabe church, for the visiting members who will be in the city attending the N. D. E. A. meeting.

Realizes Large Sum.
The Presbyterian Ladies' Aid realized over \$250 at the rummage sale conducted during the week end in the church chapel. Over \$225 of this amount is clear. The aid is planning to serve dinner to the teachers here attending the N. D. E. A. Thursday evening at 6 o'clock in the church chapel.

Freshmen Entertained.
The Misses Mary Atkinson, Margaret Smith, Marjorie Best and Catherine Goddard were hostesses Saturday evening in the home of Miss Atkinson of Avenue D, to 20 of the girls and boys of the freshman class of the high school. The evening was spent in dancing and playing various games.

Piano Dancing Party.
The young people of St. George's Episcopal church have announced a dancing party for Saturday evening in the Knights of Pythias hall. Miss Glenn Bruce and Miss Frances Close composed the general committee. Chairmen of the district committees are: Refreshments, Mrs. William McDonald; music, Rex Berndt; decorations, Fred Humphreys.

Announces Engagement.
Mr. and Mrs. G. J. Keenan of Avenue B and Second street announce the engagement of their daughter, Miss Laura, to William P. Gilmore of Duluth, Minn., son of Mrs. William H. Gilmore of Wilton. The announcement was made at a dinner given in the Keenan home Saturday evening, at which only a few of the intimate friends and family were present. The bride-elect is a teacher in the kindergarten of this city, while Mr. Gilmore is an electrical engineer.

Pioneer Resident Here.
Bismarck is entertaining this week Mrs. O. S. Goff of Boise City, Idaho, one of the earliest pioneer women of this city. Mrs. Goff came here in 1875 as a bride and located with her husband, the first photographer of this section, at old Fort Lincoln. Later they located in Bismarck. Mr. Goff, who passed away last year, came to old Fort Lincoln in 1873. Mrs. Goff is making her headquarters with Mrs. O. H. Will of Fourth street, but is being entertained by all her old friends.

Annual High School Party.
The date for the annual high school party has been announced for Tuesday evening and will be held in the high school gymnasium. Arrangements were completed for this annual event at a meeting of all the classes last Friday. The entertainment committee announced it to be a costume party but those wishing to attend without costumes will be welcome. The guests will include members of all the classes and the "Young Lady." The committee chairman are: General Otto Lindberg, refreshments, Ruth Talcott, entertainment, Glenn Bruce; decorations, Anna Varous. Announcement has also been made for a dancing party for Thursday evening in Patterson hall, to be given by the high school.

Women's Club Notes.
The P. E. O. sisterhood will meet this evening with Mrs. M. C. Budlong of 801 Fourth street. Mrs. A. A. Bruce will discuss "Lara Burton and the Red Cross Work" and the roll call will be responded to by names of modern notable women.

The Mothers' club will observe guest day tomorrow afternoon, when the club members will meet Mrs. Dutton of First street. Each member is privileged to bring a guest for this meeting, for which a special program has been arranged.

For Mr. and Mrs. Taylor.
The church and congregation of the McCabe church have arranged a farewell reception for Mr. and Mrs. Conrad B. Taylor Tuesday evening in the church, who leave next week to locate in the east. The affair will also be in the nature of a reception for Rev. and Mrs. C. E. Vernilya, the former the new superintendent of the Bismarck district. Mr. and Mrs. Taylor have been identified with the music of the McCabe church for nearly three years and have made many friends in the church and musical circles of the city. Under the direction of Mr. Taylor two very successful presentations of Stainer's "Crucifixion" were given in the church and sacred cantatas and choruses were also given with good effect. The invitation is extended to the congregation and the musical people of the city. The hours will be from 8 o'clock to 10:30. A musical program will feature.

Announce Marriage.
Announcement has been made of the marriage of Miss Charlotte Leathers of Stewartdale and Randall Boyd of the same place. The marriage was an event of Wednesday, October 24, in the home of the bride's father, F. M. Leathers. The service was read at noon by Rev. H. C. Postlethwaite of the Bismarck Presbyterian church. Rev. Mr. Stuart of Stewartdale played the wedding music and Mrs. Stuart sang "O Promise Me." The bride wore a gown of white satin draped with sequined crepe and carried a shower bouquet of bridal roses and valley life. The bride party included the bride's sister, Mrs. Mildred Boyd, Mrs. Louis Leathers and Chester Boyd with Norma and Pyridia Leathers as flower girls. A wedding dinner supplemented the service, the guests including only the immediate relatives and a limited number of intimate friends. Mr. Boyd and his bride are spending their honeymoon in Page. They will reside on the Boyd homestead near Menoken.

BISMARCKERS TO BENEFIT BY CASH AND CARRY SYSTEM

With the introduction of the cash and carry system by Brown and Jones, grocery people in Bismarck wishing to economize during the war may do so by taking advantage of this opportunity offered by this firm.

For the first time since the introduction of the delivery system will customers be privileged to save on all purchases if they but carry them home. Heretofore prices were so fixed that it covered practically the cost of delivery and every patron shared in the cost. From now on this grocery firm has offered to give the customer the cost of delivery if the cash and carry system is adhered to. House wives are asked to help make this a success.

PERSONAL NOTES

Mr. and Mrs. J. D. Healow of Thayer street have returned from a trip to Fargo.

Mr. C. C. Putnam and two children of Fifth street and Miss Edna Wachel, who have gone south to spend the winter, have arrived in Jacksonville en route to Miami.

Prof. M. M. Gublin of the extension department of the normal school of Aberdeen has concluded a visit here with Mrs. and Mrs. J. M. Martin of Fourth street.

Miss Lois Mandigo of Seventh street is recovering nicely from an illness and is arranging to spend the winter on the Pacific coast.

Rev. and Mrs. C. E. Vernilya, the former superintendent of the Bismarck district of the McCabe church, have arrived in the city from Valley City and will take up their residence in the Nueve house on Second street. Rev. Vernilya occupied the pulpit of the McCabe church Sunday morning.

Mrs. C. C. Missett, daughter, Elizabeth, and son, George, of Ellendale were guests in the city over the weekend. They stopped here en route home from a four months' visit in British Columbia.

NEW BATH PARLORS.
Prof. A. H. Miller, formerly of the Twin Cities, has opened new massage, chiropody and vapor bath parlors in the Brennes block on Fourth St., opposite the Grand Pacific hotel. Turkish, vapor and plain baths and body massages. First class service guaranteed at reasonable prices.

CASH AND CARRY

After careful consideration and study we have decided to give the people of Bismarck a chance to live as cheaply as is possible, and to reduce the price of our goods during the period of the war to as near the cost price as is possible.

In order to do this we respectfully ask the people to co-operate with us. Heretofore there has been no inducement for the poor man or the man's family of moderate means to carry their goods home with them, as they had to pay the same price for them as those who had them delivered, so why should they bother with them.

The family whose wage earner is getting \$60 per month or thereabouts, will appreciate it, if by carrying their groceries and meat home they can save enough during the month to buy a pair of shoes or some needed clothing.

We propose to give those that want to save the cost of delivery the chance to do so, and to those who want their goods delivered we shall add to the selling price 10c per delivery to any place within a radius of ten blocks of our store.

NEVER IN DOUBT.

North Dakota's subscription to the liberty loan of more than ten million gives the lie to the Townley group of pacifists who opposed the first issue and later staged a seditious meeting at St. Paul. The loyalty of the state was never in doubt. No one class can claim credit for the wonderful success of the loan. Banker, farmer and merchant worked side by side to put their dollars on the firing line.

H. R. Goddard, who directed the drive in Burleigh county, is worthy of special mention. The apportionment of \$145,000 was practically doubled. Burleigh county farmers responded generously. Committees in charge of the work in rural districts encountered snow storms and weather decidedly unfavorable for canvassing for the loan.

Too much praise cannot be given to the members of the city teams, headed by P. R. Fields, who worked diligently, securing subscriptions totaling \$230,000 in the city of Bismarck. The lesson of the second liberty loan is a vital one for the nation. It impresses the necessity of thrift and sacrifice. Future loans will be raised with less effort. The American people, unlike Europeans, are not used to investing money in government securities. United States bonds in times of peace are held largely by the banks and capitalists. Our allies have been trained for years to buy in government securities, as being the best and most desirable kind of investment.

Americans too often have been accused of being spendthrifts. While there is more thrift in America than our neighbors have given us credit for, the tendency to invest in wildcat schemes and get-rich-quick ventures has been far too prevalent.

Liberty loans will do much to correct a bias for blue sky, and in years to come the people of the United States will demand easier access to investment in government securities. The widow's mite is safe there. Too often it has been lost in a nebulous mining venture.

North Dakota feels better today for having enlisted ten million in this battle for a world democracy.

The earlier Kaiser Bill gets over the idea that he can dictate peace terms the sooner the German people will get peace.

QUEST PINK TEA WORKERS.
The head of the canteen department of the national league for women's service has requested all "pink tea" members to resign from her division. "I would rather have one dependable woman than one thousand who can't work because they have an engagement to play golf or because it is their afternoon at home," she remarked.

Red Cross workers and war workers of all types are up against the age-old problems of organizers—how to weed out the indifferent and inefficient worker, the person who enthusiastically enrolls under every new

banner attends a few meetings, throws a monkey wrench or two into the organization machinery—and disappears until a new cause or a brighter banner draws him into view.

Such women are obstacles to the progress of any cause with which they seek to play. Any work they touch is marred and confused by their inactivity. All things are distorted for the purpose of producing a new pose for their insatiable vanity. War work is too serious to serve as a playground.

BE THRIFTY.

The second liberty loan is a success. Millions of Americans, rich and poor, have loaned their country billions of dollars—not only all, but more than was asked for.

By so doing they not only again put the seal of their sanction upon their government's war plans, but announced to the world, particularly to the German people, their determination to continue the war until the object for which America entered it is accomplished: the freedom of the world through the crushing of Prussian militarism.

There is not the shadow of a doubt that the magnificent response of the American people during the past four weeks to their government's stupendous money needs, is as great a blow at the morale of the German people as the recent glorious victories of the British and French on the western front.

It is not mere rhetoric, but literally true, that every man, woman or child who bought one of these liberty bonds has contributed in some measure, however small, to the final victory which some day, we cannot know when, will crown the arms of America and her allies.

Your liberty bond is a badge of honor of which you may well be proud. It is but a \$50 bond and the money you paid for it represents real sacrifice, then the honor is all the greater.

There are going to be other liberty loans—many of them. Within a few months you are going to be given another chance to loan your savings to your government as a further pledge of your loyalty to the cause of human liberty and national safety, independence and dignity.

It is your duty to yourself, to your country and to the cause of liberty throughout the world to begin now, today, to get ready to do your part toward making the third liberty loan even more successful than the first and second ones.

When the next call comes do not suffer the humiliation of not being able to respond because you have wasted your surplus money on useless things.

Probably millions of people who had the desire to subscribe to the second liberty loan were unable to do so because they had failed to anticipate the necessity for saving.

Keen as their regrets may be and probably are today, they can do much toward wiping them out by beginning now to prepare for their duty by saving for the next loan.

The financial resources of America are practically unlimited. Our annual income is greater than that of any other three nations of the world.

We can finance our part in the war, however much it costs, without the slightest difficulty if everyone of us will do his part.

But we cannot do our part if we spend our surplus money for the foolish, unnecessary and for the most part harmful things which are bad for us in peace time and which in war-time are a positive menace to the nation.

WHO ACTED MORE WISELY?

One day, a few years ago, the wife of Sir James M. Barrie, noted British author, told him that she could never again be happy as his wife; that she had learned to love Gilbert Cannan, a struggling writer living in Barrie's home at Barrie's expense. Mrs. Barrie said she wanted to be free to marry Cannan.

Barrie gave her her freedom and presented to his divorced wife a beautiful house and a large monetary settlement.

And he wished her happiness. Time rolled on. Cannan acquired fame and fortune.

Not long ago, according to allegations made by Mrs. Cannan in a London divorce court in which she was suing for a decree of restitution of conjugal rights against her husband, Cannan told her he loved another woman and "must refuse to return to you."

Her first husband had given her up when she asked him to. Cannan pointed out, asking her now to give him up to the woman he had grown to love. She refused and asked the court to compel him to return to her. This the court did.

Now which do you think acted more wisely—Barrie in giving up his wife when she asked for freedom, or the former Mrs. Barrie who refused to give up her second husband when he asked for his freedom?

Women munition workers in Austria have struck and wrecked the plants—and certain Englishmen could tell the Kaiser that he might as well hand in his resignation.

NECTAR FOR THE GODS

North Dakota's Foremost Educators Teach School For Teachers This Week

Men Who Have Made Names for Themselves in University and College Work and in Public Administrative Capacities to Discuss Instruction for Instructors—To Open Offices.

North Dakota's foremost men and women in the field of public education will devote the major portion of this week to conducting a school for teachers in the city of Bismarck. For this one week Bismarck will be the home of the greatest educational institution in the state, with a larger enrollment than the university or any college in North Dakota, and with a student body of a higher type of intellect in the mass than probably can be discovered in any other educational institution in the world.

This is the week set aside for North Dakota's educators to go to school, and some very intensive cramming is to be crowded into the three days which will be devoted to sessions. To Open Offices.

fields who will have a place on the convention program are Prof. W. H. Thomas of Jamestown college, who will speak Thursday afternoon on "Higher Learning and the War;" H. C. Fish, former curator of the state historical museum and now of the Minot normal; E. O. Prather of the Wahpeton school of science, who will talk Thursday on "The Teacher as a Business Man;" H. F. Butterfield of the Mayville normal, and Pres. F. W. Smith of the Bottineau school of forestry, all of whom appear on the program of the higher and professional education section Thursday afternoon.

Frances Newman Dial of the state agricultural college on Friday afternoon discusses "Possibilities of the Bean of Women," discussion on this subject being led by E. A. L. Fulton of the University of North Dakota.

W. E. Parsons, superintendent of schools for Burleigh county, takes up the question, "How Can the Lighter Institutions Hold With the Rural Problem," discussion being led by O. E. Combs of Ellendale. C. E. Cavett of Lisbon, superintendent of Hanson county schools, and Edward Erickson of Bismarck, state supervisor of graded and consolidated rural schools.

War Talk Avoided.

the local committee, will open his offices in the lobby of the Grand Pacific hotel tomorrow. It is anticipated that the registration of teachers will begin this evening that it will be in full course by noon tomorrow, and that with the arrival of Nov. 1 Tuesday night a majority of the city's guests will have come.

Every hotel in the city is making elaborate preparations for the entertainment of hundreds of visitors. Every available room has been reserved for the teachers. The knights of the grip—much to their disappointment—have been urged to give Bismarck a wide berth during the week. Culinary departments have been provisioned and the staffs increased, and the bodily comfort of the teacher-folk is well provided for.

Entertainment Features.
There will be no lack of entertainment for the educators. With Cadman and his Princess Tsarina here Friday, "When Dreams Come True," a delightful musical comedy Saturday, and musical programs by the Thursday music club Wednesday and Thursday evenings, preceding the addresses of Walter B. Tripp of Boston, Mass., member of the faculty of the Emerson school of oratory, and Dr. G. D. Strayer of Columbia university, will not all be solid grind for the instructors.

other subjects deal with phases of educational work which are always current and with no particular bearing on the present crisis. A paper which promises to be of unusual interest to the state at large is "Night Schools for Pupils of High School Ability," which Supt. Bruce Francis of the Minot public schools will deliver at the high school auditorium Thursday afternoon.

Work for Secretary.

Secretary W. E. Parsons will have headquarters at all of the leading hotels, where aides will be prepared to advise the visitors upon any point from needs and plans to rooms and convention auditorium sites. Loy Scouts will render the splendid service they gave three years ago in piloting convention visitors to rooms and in showing them about the city. The English class of the high school has been detailed to cover every general and proper subject of the educators as a part of its work in composition, and The Tribune each day during the session will devote columns to papers and addresses presented by the educators and reported by high school students in cooperation with The Tribune's staff reporters.

C. F. Bolt, principal of the Bismarck high school will have charge of the registration of delegates, and Supt. Martin will head the information bureau. In both of which activities teachers of the Bismarck high school will assist.

PROF. C. F. BOLT,
Principal of Bismarck High School and Chief of Registration.

Points of Interest.
The capital, Indian school, state penitentiary, the Great Plains experiment station at Mandan, state training school and the grounds at Fort Totten will be open to the teachers during the week, and if the weather is favorable scores of automobiles will be placed at the disposal of the city's guests who desire to visit these points of interest.

The Camp Fire Girls, in costume, will do their bit by acting as ushers at the various meetings. All Bismarck people will contribute their share of hospitality and courteous care for the visitors' comfort and entertainment. It will be a big week for Bismarck, and Bismarck will do its best to make it a big week for Bismarck's most welcome guests.
